CREATE HOPE
 in the WORLD

Project Fair

Make your projects stronger

Bari, 24-28 April 2024

Circolo Unione
 Via Alberto Sordi 7, Bari

District 2120 is proud to present the Projects Fair

"Make your projects stronger"

which will take place in

Bari from 24 to 28 April 2024.

Friendship and Service are guiding principles for

Rotary International and for its activity around

the world. Our objective is therefore to make this

approach concrete and operational with a

Project Fair, the best way for Clubs and Rotarians

to connect and to collaborate with global

partners for Global Grants.

Promoting our initiatives and networking are

imperative for Rotarians.

We will be remembered for what we do, for our

feeling of humanity, for our commitment to

alleviate discomfort and suffering. For all this

reasons we need to collaborate and join forces.

Participants will also have the opportunity to

discover two Italian regions, Puglia and

Basilicata, which have so much to offer for their

artistic and natural heritage.

A weekend in Bari, not only for "doing good in the

world" but also to pleasantly meet and visit the

city, with its history, its beautiful colors and light

and, of course, taste its traditional cuisine.

We wait for you to share ideas, join forces and

"Make your projects stronger".

26 April 2024
